To Whom it May Concern,

We are the Junior Red Cross Clubs of Stephen Decatur High School and Worcester Preparatory School. With over eighty members, our clubs are well into another action packed year of emergency training, community service and international outreach.

We are the next generation of first responders. The Jr. Red Cross Club mission is to Prepare, Educate and Promote Safety & Prevention. We are currently taking our February certification courses in CPR/AED and First Aid.

In addition to our training and our community & global outreach projects we are currently working on our Second Annual Youth Triathlon, **THE IRON HAWK**, set for April 10, 2010. This unique triathlon designed for kids, is a swim/bike/run competition for kids ages 10-18 years old. It will be held in Ocean Pines.

We are asking for any financial support that you might be able to donate to this endeavor. Our largest expense is the insurance rider and the t-shirts for the participants (approx. \$1000.) Other expenses will include medals for the three age divisions and energy snacks and drinks.

With your help, our clubs hope to create an exciting, challenging competition for the youth of Worcester, Wicomico and Somerset counties. We appreciate your support —together we can change a life.

Sincerely,
The Lower Shore Junior Red Cross Clubs
